¹ Act as listed in *RHPA*: Communicating to the individual or his or her personal representative a diagnosis identifying a disease or disorder as the cause of symptoms of the individual in circumstances in which it is reasonably foreseeable that the individual or his or her personal representative will rely on the diagnosis.

² Performing a procedure on tissue below the dermis, below the surface of a mucous membrane, in or below the surface of the cornea, or in or below the surfaces of the teeth, including the scaling of teeth.

³ Moving the joints of the spine beyond the individual's usual physiological range of motion using a fast, low amplitude thrust.

⁴ Putting an instrument, hand or finger, i. beyond the external ear canal, ii. beyond the point in the nasal passages where they normally narrow, iii. beyond the larynx, iv. beyond the opening of the urethra, v. beyond the labia majora, vi. beyond the anal verge, or vii. into an artificial opening into the body.

⁵ Applying or ordering the application of a form of energy prescribed by the regulations under this Act.

⁶ Prescribing, dispensing, selling or compounding a drug as defined in the Drug and Pharmacies Regulation Act, or supervising the part of a pharmacy where such drugs are kept.

⁷ Prescribing or dispensing, for vision or eye problems, subnormal vision devices, contact lenses or eye glasses other than simple magnifiers.

⁸ Fitting or dispensing a dental prosthesis, orthodontic or periodontal appliance or a device used inside the mouth to protect teeth from abnormal functioning.

⁹ Allergy challenge testing of a kind in which a positive result of the test is a significant allergic response. 1991, c. 18, s. 27 (2); 2007, c. 10, Sched. L, s. 32.

¹⁰ Treating, by means of psychotherapy technique, delivered through a therapeutic relationship, an individual's serious disorder of thought, cognition, mood, emotional regulation, perception or memory that may seriously impair the individual's judgement, insight, behaviour, communication or social functioning. (not yet proclaimed)

¹¹ Dentists are authorized with respect to setting a fracture of a bone of the oral-facial complex or setting a dislocation of a joint of the oral-facial complex

¹² In the course of engaging in the practice of dietetics, a member is authorized, subject to the terms, conditions and limitations imposed on his or her certificate of registration, to take blood samples by skin pricking for the purpose of monitoring capillary blood readings. 2009, c. 26, s. 7.

¹³ The Homeopathy Act has not yet been proclaimed into force
